

# LG G3 Vigor Front Facing Camera Replacement

Replace the front-facing camera on a LG G3 Vigor.

Written By: Mohammed Albasri

## INTRODUCTION

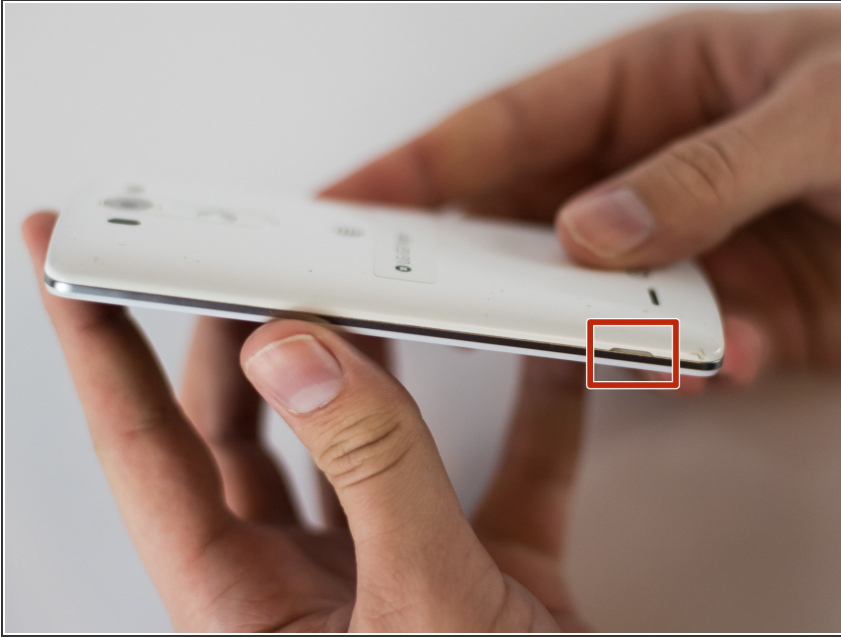

Use this guide to replace the front-facing camera on your LG G3 Vigor.

---

### TOOLS:

- [Phillips #00 Screwdriver](#) (1)
  - [iFixit Opening Tools](#) (1)
  - [Spudger](#) (1)
-

## Step 1 — Rear Case

- Locate the notch on the bottom right of the phone.

## Step 2

- Gently pull the cover on the back of the phone off to locate the battery.

## Step 3 — Battery

- Remove the battery by lifting from the slot at the bottom of the battery.

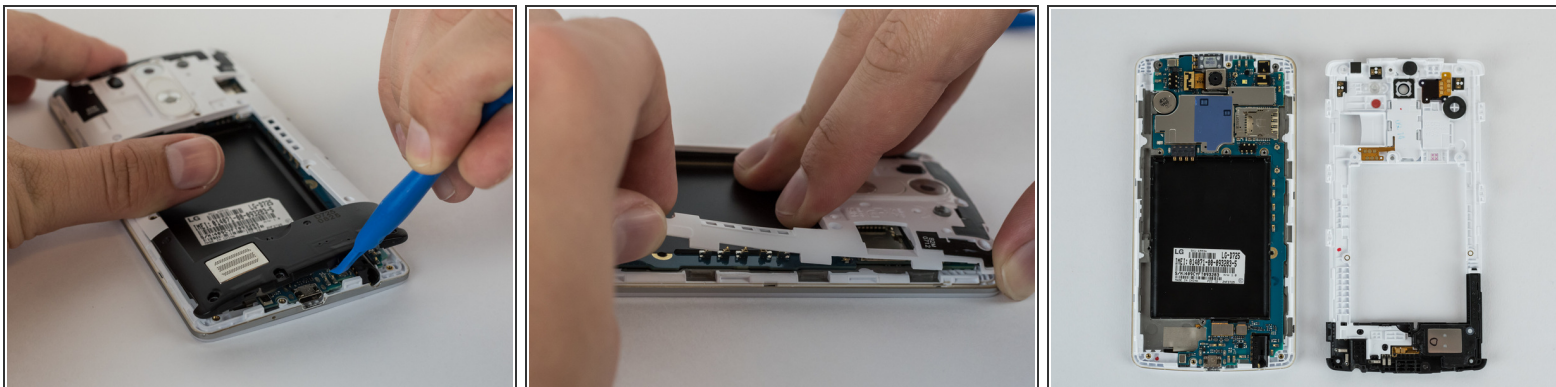

## Step 4 — Midframe

- Remove the twelve Phillips #00 screws securing the midframe to the rest of the phone.

## Step 5

- Work a plastic opening tool around the perimeter of the phone to separate the midframe from the rest of the phone.

## Step 6 — Front Facing Camera

- Use the spudger to gently unplug the ribbon cable connected to the motherboard.
- Remove the front camera.

To reassemble your device, follow these instructions in reverse order.
